Materials: Drying Trees, Tray & Lid - PP
Draining Plug - Food-Grade Silicone

Dimensions: 3 x Drying Trees - 205 x 182 x 5mm
1 x Drying Tray - 214 x 192 x 34mm
1 x Tray Lid - 221 x 197 x 19mm

Colours: Slate Grey/Forest Green

Product Description:

Dry your baby gear or everyday items with the Easy-store Drying Tree and Tray Set! Simply slot each of the three trees into the sturdy base, wash your bottles, dummies, pumps or any other everyday items, and hang them on the tree to air dry. The plug allows water to drain away with ease. The trees nestle into the base after use, while the fitted lid keep everything in place to make storage easier than ever.

Features:

- Efficiently air-dry multiple everyday items and your baby gear!
- Easy to store: simply detach then lie flat in the tray.
- Versatile for hang drying or storing.
- Sturdy base allows products to hang securely.
- Quickly drain trapped water & prevent mould by simply pulling the plug.
- Rounded edges protect items from scratching.
- Large capacity holds up to 12 bottles.
- Dustproof lid ensures mess-free storage and makes it convenient to carry.
- Flip the lid over, and its grooved surface doubles as a draining tray.
- Durable and water resistant for long term use.
- Easy care – simple to assemble and disassemble for thorough cleaning.
- BPA, PVC and phthalate-free.

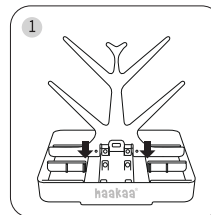

Cleaning and Care:

Wash before each use. Although dishwasher safe, we recommend hand washing this product in warm soapy water, then rinsing and drying thoroughly. To sterilise, use a steam steriliser or boil in water for 2-3 minutes. Only soft bristle brushes or soft sponges should be used to clean this product, as hard scourers may scratch the surface. Do not use bleach-based agents to clean this product. Store product in a cool, dry place and avoid direct sunlight.

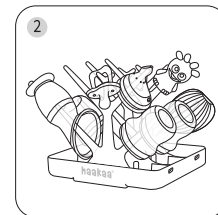

Caution:

- For adult use only.
- Check product condition regularly. Throw away at the first sign of damage or weakness.
- To avoid the risk of strangulation, never attach to cords, ribbons, laces or loose parts of clothing.
- This product contains small parts that may become a choking hazard. Keep out of reach of children and pets.
- Do not store near any sharp objects.
- Never forcefully bend or break the product at any time.
- This product is not a toy. Do not use this product for anything other than its intended use.

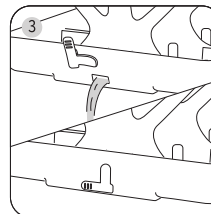

Instructions:

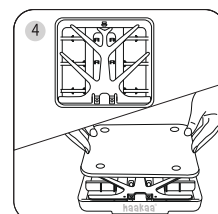

Wash before use. Place the tray on a flat surface, then firmly insert drying trees into the grooves on the tray one by one.

Place clean items on the branches to hang dry. We recommend placing heavier and larger items on the lower, longer branches and smaller items such as dummies on the upper, shorter branches. Always make sure all items are hung securely.

To release trapped water in the base, pull out the silicone plug and let the water flow out. Reinsert the plug afterwards.

To store, carefully pull out the tree racks and lie them flat in the tray then close with the included lid. Always ensure all parts are fully dry before storing.

NOTE: Please do not hang extra large, long or heavy items. After draining, a small amount of water may remain. This is normal. To drain thoroughly, slightly lift one side of the tray to pour out.
