Product Description:

Experience the fun of fishing with the Haakaa Bathtime Anglers Fishing Toy Set! This adorable set includes four fish toys made from soft, food-grade silicone which are designed to be safe and gentle on your baby's delicate skin. With these is a perfectly sized fishing rod with a steel core and the same soft silicone outer layer to protect little hands. Simply toss the fish in the water and watch them float - your kids can hook and catch them using the easy-grip fishing rod & double fishhook! These fish have weighted bellies to keep them floating the right way up to make them easy for your little one to catch, promoting fine motor skills and hand-eye coordination. Designed for both water-based and everyday play, this set is perfect for the bath, pool, beach, or any other adventure no matter where you are. The one-piece design without openings ensures they remain mould-free and easy to clean – simply boil to sterilise. Its easy portability means you can take the fun with you wherever you go!

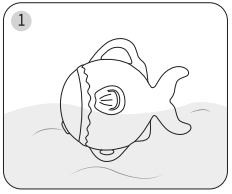

Features:

- Endless bathtime entertainment with this adorable fishing toy set – ideal for toddlers aged 3+!
- Suitable for bathtubs, swimming pools, beaches, water tables or as an everyday toy.
- Soft fishing rod & silicone fish with rounded edges in perfect sizes for little hands to grip and play with.
- Helps develop fine motor skills & hand-eye coordination, and encourages sensory exploration during playtime.
- One-piece fish toys with no openings make cleaning easy and prevent mould build-up.
- Weighted bellies keep each fish upright for easy catching.
- Double fishhook gives baby more opportunites to hook fish.
- Soft colours and cute fish shapes inspire creativity and imaginative play.
- Durable for lasting fun, keeping your little one engaged and fostering bonding during bathtime.
- Lightweight, easy to pack and perfect for travel, beach days, or outdoor water activities.
- Food-grade silicone is free from BPA, PVC, and phthalates.
- Safe in dishwashers and boiling water.

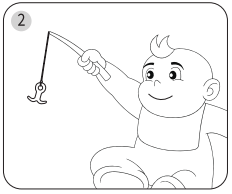

Cleaning and Care:

Wash before and after each use. Although dishwasher safe, we recommend hand washing with warm, soapy water and rinsing and drying thoroughly. Do not use any bleach-based cleaners or tablets to sterilise or clean your Haakaa products. To sterilise, use a steam steriliser or boil in water for 2-3 minutes. **DO NOT** microwave the fishing rod as it contains stainless steel. Store product in a cool, dry place and avoid direct sunlight.

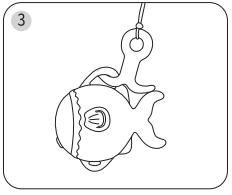

Instructions:

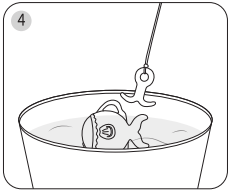

To use in the bathtub, ensure water is at the right temperature. Place toys on the surface to float.

Let baby hold the rod independently.

Use the double hook to catch the fish. Lower the fishing string and align it with the loop on the fish fin.

Alternatively, use for any water-based play or on dry ground.

Caution:

- Check product condition regularly and replace if it shows any signs of damage.
- For your child's safety, never attach product to cords, ribbons, laces or loose parts of clothing, as it can become wrapped around their neck.
- This product should always be used only under adult supervision. Never leave the fishing rod unattended with your baby, as it could cause injury.
- Do not store near any sharp objects.
- Do not use this product for anything other than its intended use.
- Keep out of the reach of children and pets when not in use.
- Do not pull or stretch the fishing hook and line excessively.
- To prevent drowning, never leave your child unattended in the water.
- Test the temperature of the water before sitting your child in the bath. Toddlers have very sensitive skin and can burn easily if the water is too hot.

WARNING: CHOKING HAZARD - SMALL PARTS.
