Recommended Age: 3 months+

Product Description:

Haakaa's Little Lifters Silicone Teether Set keeps little ones engaged with playful shapes and multi-textured surfaces that support early sensory exploration! Inspired by easily recognisable gym equipment, each piece – kettlebell, dumbbell, and barbell plate – features easy-grip designs with built-in holes or a centre bar that fits comfortably in tiny hands while supporting developing motor skills.

Made from soft, durable 100% food-grade silicone, these teethers are gentle on delicate mouths and skin. Simply pop them in the fridge or freezer for a cooling sensation! The one-piece design is easy to clean, and suitable for dishwashers and steam sterilisers, making them perfect for safe, everyday play.

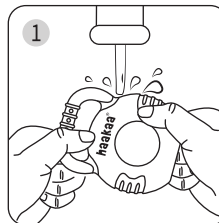

Features:

- 3-piece gym-inspired teethers are designed for playful chewing, gripping & sensory play.
- Soft, durable 100% food-grade silicone is gentle on delicate mouths and skin.
- Realistic shapes in calming colours engage curiosity and support early recognition.
- A variety of raised ridges & textured points gently massage baby's gums.
- Silicone kettlebell and barbell plate feature built-in holes for baby to explore any angle.
- Silicone dumbbell has an easy-grip centre bar to support developing motor skills.
- Simply pop in the fridge or freezer for an added cooling sensation.
- Durable one-piece designs are safe in dishwashers, steam sterilisers and boiling water.
- BPA, PVC & phthalate-free.

Cleaning and Care:

Wash before and after each use. Although dishwasher safe, we recommend hand washing this product in warm, soapy water then rinsing and drying thoroughly. Only soft bristle brushes or soft sponges should be used to clean this product as hard scourers may scratch the surface. To sterilise the teethers, use a steam steriliser or boil in water for 2–3 minutes. Do not use UV sterilisers or bleach-based agents to clean this product. Ensure the product is thoroughly dried before storage. Store product in a cool, dry place and avoid direct sunlight.

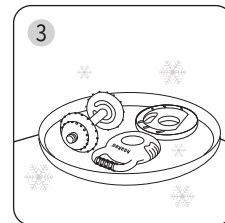

Instructions:

Clean before use.

Give to baby to grab, explore and chew on independently.

Alternatively, chill in the fridge or freezer for an extra cooling sensation.

Caution:

- Adult supervision is required at all times.
- **DO NOT** use while baby is sleeping or unattended.
- For your child's safety, **NEVER** attach this product to long cords, ribbons, laces or loose parts of clothing, as it can become wrapped around their neck.
- If used with a strap, **ONLY** use short straps that meet baby safety standards. Ensure the strap does not form loops, as this may increase strangulation risk. Always secure the strap to a safe location.
- Use only as a teething aid. Do not use this product for anything other than its intended use.
- Always inspect the teether before each use.
- Check product condition regularly. Replace if this product shows any signs of damage.
- To avoid injury, **DO NOT** let your baby hit their body during use with force.
- Keep out of reach of children and pets when not in use. **NOT** suitable for pets.
- Do not store near any sharp objects.
- Do not forcefully stretch any parts at any time.
